Verse 1

You reign all over the heavens
All over the earth
All over my heart, my soul
You lived before the beginning
You know how it ends
This world that you spoke to life

Chorus 1

There is no one worthy like you God
No one
No one else is Holy as you God
King of Kings

Verse 2

You see the things are hidden
The souls that are longing
To know of your perfect love
In your name, the heavens are open
The strongholds are broken
and dry bones are raised to life

Chorus 2

There is no one worthy like you God

You are worthy, worthy

No one else is Holy as you God
King of Kings

Chorus 3

There is no one worthy like you God
You are worthy, worthy
No one else is Holy as you God
Yeah

Bridge (x2)

There's no one like you Lord
No one beside you Lord
Your glory goes beyond compare
You cleave the earth with oceans
Heavens cry out your praise
Your glory goes beyond compare
Yeah

Chorus 2

There is no one worthy like you God
You are worthy, worthy
No one else is Holy as you God
King of Kings
